

Annual Country report for 2014 *name of country*:...Austria.....

Activities	Date and Comments e.g numbers attended, significant decisions.
AGM	25.06.2013 we decided at our general meeting that we change our statutes so that we convene the GM every two years. Therefore the next date for GM in Austria is the 19 th of June 2015. Active members in the Association are only 6 people. Members at the moment 65.
Committees	We are a little group of active members and therefore we have no special committees. If there are activities we share the duties and are supported by the therapy team of Elisabethinum Axams.
Other important activities.	Presentation of working in water with the Halliwick Concept as part of the international Comenius project of our school. There were representatives from the Netherlands, Finland, Spain, Germany, Denmark, Italy. Topic of the Project 2014/15 was "Water". We introduced also the handicap principle and astonished that the teacher of three countries applied this in different competitions at their schools.
