

Halliwick International Conference – Poland 2011 Report from Halliwick Brazil

We would like to thanks Anna Olasinska and all people involved in the conference organization for all support, constant care and dedication to the event and participants.

It was my first time in Poland; I never could imagine how wonderful and happy people are the Polish. Can say I fill like be at home.

It was very nice to see old friends and meet new people bringing more energy to Halliwick.

Either at the Polish dinner or working in the pool everyone was present and participating, enjoy each moment.

Our adventure in Krakow by night produce good moments for sightings. Apologies for those waiting in a bus late night.

Congratulations for the Executive Committee, new members and secretary Ann, hard work replace William after 12 years.

Our best for Halliwick and Poland we wishes it continues growing and giving the opportunities for all people be in water
