

The Halliwick swimming team of the Physical Medicine and Rehabilitation Institute - School of Medicine University of Sao Paulo in 2014 participated in nine (09) events in seven (07) different cities and states. 67 new swimmers were included in sports practice, and three (03) of them participated in official competitions from the Brazilian Paralympic Committee.

Highlights and results in 2014:

✓ *Brazilian Paralympic Swimming Circuit in Fortaleza - CE. Felipe Anderson was the five best swimmers in Brazil in his Functional Class (S3) and a few seconds of the Brazilian record.*

✓ *Open Swimming for Handicap, Sports Federation for the Blind - Campinas Sports Center - SP. We won all swimming events we participated and Anderson has qualified for the Nacional Circuit.*

✓ *Student Games State of São Paulo - Sports Club Corinthians - SP. Victor swam two events and was the only swimmer to his Functional class.*

Competition at the Sport Club Corinthians Paulista 2014.

Happy New Year for everyone!
